# Memorandum

TO : Registrar/TR

DATE: 29 January 1964

FROM : Chief, External Training Branch, RS/TR

SUBJECT: Weekly Activities Report No. 4  
22 January - 28 January 1964

W 1. We have received 60 external training requests for the off-campus programs scheduled for the Headquarters building. Six of the students are taking two courses. Of the 60 people being sponsored, four are not from ORR. Although 18 of the ORR students have worked for the Government less than a year, we have waivers for their participation. Dr. Otto Guthe's memorandum to the Deputy Director (Intelligence) requesting waiver for these individuals gives the justification as being essential to the intelligence activity; he also threw in the following "Also, it should be noted that training of this nature is not available through the presentations of the Office of Training."

<u>Course</u>	<u>Sponsored External Training Requests</u>
Principles of Economics	11
History of Russia	4
Income Analysis (II): Analysis and Application	14
Quantitative Economic Analysis	20
Intermediate Economic Analysis: Price	14
Psychology of Adjustment	3

W We have received external training requests for the following other off-campus programs: Federal Triangle, Fort Belvoir, Cameron Station, Pentagon and General Accounting Office.

5. Attached is an excerpt from [redacted] last letter. [redacted] is attending the Logistics Management Course, Wright-Patterson Air Force Base. He explains the new trend in the revamped logistics course. You will notice that emphasis is on mathematics and statistics and directly relates to the experimental test you attended last week. He also includes his recommendations for our selection in the future.
